

 Life Link III Conference  
formerly known as Trauma Tactics

**October 6-7**  
**2017**

River's Edge Convention Center  
St. Cloud, MN

# Innovation in Patient Care

*A Prehospital, Critical Care and Trauma Conference*

Life Link III's annual conference is transitioning from Trauma Tactics, to **"Time Critical Tactics – A Prehospital, Critical Care and Trauma Conference."** Using conference attendee input, the conference will go beyond "trauma," to address the broader range of medical conditions that benefit from early access to critical care and minimal out-of-hospital time.

## Time Critical Tactics:

- Is designed for providers of all levels, covering rescue and prehospital scenarios, to transport and in-hospital treatment.
- Offers educational sessions that will focus on "harder-to-get" education for EMTs and paramedics that satisfies national registry CEU requirements.
- Features expert speakers showcasing this year's conference theme, **"Innovation in Patient Care,"** covering the latest industry trends and hands-on skills training designed to enhance attendee abilities as a care provider.
- Continues to provide plenty of networking time with fellow attendees and sponsors and exhibitors in the Expo Hall.
- Includes plenty of **FUN** with an on-site reception and hypnotist comedy show at the Red Carpet Event Center!

**For more information including sponsor and exhibitor information and to register, visit [www.lifelinkiii.com](http://www.lifelinkiii.com)**

## WHO SHOULD ATTEND?

**Hospital and prehospital providers including:**

- Nurses
- EMTs/Paramedics
- First Responders
- Law Enforcement/Dispatchers
- Fire Fighters

**Discounted Early Bird registration available for \$175 through September 8, 2017.**

General rate after September 8, 2017 is \$225.

**Time Critical Tactics includes three new education tracks and hands-on skills training providing CEU/POST Credits:**

- BLS/General
- ALS/Critical Care
- Patient Care Insights featuring Life Link III Consortium members
